Innovative Industries: Examining Future Investment Portfolios

Building on the success of the Saudi editions of the Capital Markets Forum (CMF), Saudi Tadawul Group is pleased to host the first international Capital Markets Forum on 9 - 10 May 2024 in Hong Kong.

The CMF in Hong Kong marks a significant step in the future of capital flows between Saudi Arabia and Hong Kong, bringing together key players from two of the fastest-growing emerging economies today.

Attendees will have unparalleled access and insight to the Hong Kong and Saudi Capital Market, unlocking investment opportunities that set the stage for more integrated markets.

Under the theme “Powering Connections”, CMF in Hong Kong will draw on synergies between Saudi Arabia and Hong Kong and unite international opinion leaders, issuers, investors, and governmental entities from Saudi Arabia and Asia to foster meaningful dialogue for the advancement of global capital markets.

Key speakers include leaders and decision makers from across the financial sector.

A series of corporate access meetings will take place on 9 - 10 May to further explore opportunities for collaboration between Saudi and Hong Kong market players.
